

# CASA GRANDE RESERVE

## NEW PUPPY TAKE-HOME CHECKLIST

Welcome to your new family member! Here's everything you need to get started.

### FIRST 24 HOURS

- Set up a quiet, safe space with bed, water, and toys
- Let puppy explore calmly — no overwhelming visitors yet
- Take outside every 30-60 minutes for potty training
- Feed small meals (same food as breeder for first week)
- Give lots of gentle praise and cuddles

### FIRST WEEK

- Schedule vet visit within 48-72 hours for wellness check
- Continue potty training routine (crate training recommended)
- Start basic socialization (new sounds, people, surfaces)
- Establish feeding schedule (3-4 meals per day)
- Begin gentle handling exercises (paws, ears, mouth)

### FIRST MONTH

- Complete all vaccinations as recommended by your vet
- Start basic obedience training (sit, stay, come)
- Introduce grooming routine (brushing, nail trims)
- Monitor weight and adjust food as puppy grows
- Take lots of photos and enjoy the journey!
